**Refunds:**

RRHPC respectfully requests that competitors read & understand the refund policies. Please note that events such as these require many costs to be fronted by the Pony Club, a non-profit youth org. Our club depends on this fundraiser for its existence & fronting these costs without profit would result in the inability to maintain the event grounds & the RRHPC mini trial in the future. Help us keep eventing in our area by respecting these policies.

1. Up until closing date of July 23, refund will be given upon cancellation of entry minus \$20 admin fee.
2. NO refunds will be given after July 23 unless a letter from a vet is given & verified by RRHPC. In the case of a vet letter, refund will be given minus a \$20 admin fee.
3. On-site stabling is limited to the first 48 paid. Off-site stabling within 10 miles will be found for those paid after on-site is filled. If competitor does not wish to be off-site, a refund for stabling only will be given. Refunds for event entry will be given only if no off-site stabling can be found within 10 miles **AND** the competitor is traveling over a distance greater than 50 miles.
4. In the extremely unlikely event that the event is cancelled due to no fault of the club (ie. dangerous weather or natural disaster) refunds will not be given. This is due to the fact that up front costs & regular maintenance of the grounds is necessary and a missed year of this fundraiser would mean the inability to maintain our grounds & would, therefore, close our doors. Help us keep eventing going in our area by understanding the need to have this policy. This has never happened in the history of our event.
5. Substituting a horse and/or rider in the same division is allowed. Substituting a horse and/or rider in a different div may cause a difference in entry fee and/or times & will be addressed on a case by case basis if room in the other div allows.
